## 1. Yellow Voyage

A yellow meditative yoyage. The vibrating bass stands for the element earth.

## 2. Influence Part II

For me this musical energy stands for the wideness of the human existence. A special experience during a meditation forced me to create this song.

## 3. Compassion

Compassion. Thoughts during spring of 2003.

## 4. Midnight Improvisation

My tribute to Keith Jarrett's „ Koeln Konzert „, I recorded during a improvisation at midnight in the dark.

## 5. Spiritual Reflection Part II

Spirituality in music.

## 6. Surfing on the Wave

The wave is big, fast and dangerous. You can ride it with red energy to get over it.

## 7. Keys of Destiny

The start of a new musical direction in the year of 2002. The reason I named it „KEYS OF DESTINY „, Swiss national television has chosen this song 1 year later for a big broadcast during one whole day.

## 8. September in Lissabon

Musical thoughts about lissabon in the year 2002.

## 9. Gregonic Mystery

A meditative journey.

## 10. Storm

A musical view of storm coming up.
